COMMUNITIES OF RECOVERY EXPERIENCE

## ***Dear Friends:***

One of our major fundraisers is our annual auction. This event will be held on May 25th at 6 PM at the new CORE Complex located at 280 State Highway T in Branson. All of the proceeds will be used to restore families and individuals who are looking for a way out of their addictive lifestyles. Many CORE clients are employees of local businesses and their gainful employment is one of the keys to a successful recovery.

CORE provides a one year recovery program for over 250 men and women. Housing is provided to CORE clients in single family residential homes that require the residents to become part of the greater community. Life skills training provided by CORE is essential to the success of the individual participating in the recovery process. Job skills training, GED education, healthy living and a variety of other topics are covered in classes that are required attendance for clients. Drug and alcohol use is strictly prohibited and clients are drug tested frequently. Providing these services is very costly and with your donation we can continue to restore families torn apart by addiction.

If you are not able to donate merchandise please consider sponsorship of the annual auction. For more information regarding sponsoring details and benefits or donation pick up, please call Tami at 417.231.6969.

Sincerely,

A handwritten signature in black ink, appearing to read 'Cary'.

Cary McKee  
CORE Executive Director
