

CORE
COMMUNITIES OF RECOVERY EXPERIENCE

Dear Participant,

We thank you for your interest in our program. Our program exists to serve those in need of substance abuse recovery services. CORE's recovery program also offers housing and spiritual growth opportunities. We are unable to accept sex offenders and violent offenders.

The initial cost is \$320. \$120 for the first week's program fee plus a \$200 nonrefundable administrative fee. The program fee is due every week thereafter by Friday evening. This will cover your classes, local transportation needs, and housing (including essentials, such as, toilet paper, laundry detergent, etc.)

The non-negotiable entry fee must be paid upon your arrival. Due to the overwhelming interest in our program, CORE cannot guarantee placement and if approved will send a letter of approval contingent on legal parties involved, bed availability and the entry fee of \$320. We do an extensive background check Nationwide. CORE is not a home plan, but is a recovery program that provides housing!

Our program is one year in duration, with the opportunity to join a second year program. If you are seeking substance abuse recovery services, and by this truly seeking a new way of living, please take the time to fill out the application.

All questions must be answered; **any blank spaces will deem your application as rejected.** If a question does not apply just put N/A in the space. Your answers can affect your acceptance into the CORE Peer Program. I have enclosed additional information about our program to help you make your decision.

All of us here at CORE thank you for your interest in our program, and we look forward to hearing from you.

Sincerely,

CORE Admissions
